 Kaveri Bollineni | Bollinenikaveri |

Nellore,Andhra Pradesh-524101,India

OBJECTIVE

A Passionate and detail-oriented Artificial Intelligence and Data Science Graduate with an strong analytical and problem solving skills. Eager to apply my technical knowledge and gain practical experience in a challenging role while contributing to organizational growth.

EDUCATION

- **Prathyusha Engineering college-Chennai** *2022-2026*
  Btech-Artificial Intelligence and Data Science
  ◦ CGPA:9.00

- **Narayana Junior college-Nellore** *2020-2022*
  Pre-University Education
  ◦ Grade: 9.54%

- **Audisankara High School-Gudur** *2019-2020*
  Secondary Education
  ◦ GPA: 9.9/10

SKILLS

- ◦ **Programming Languages:** Python,HTML,CSS,SQL
- ◦ **Frameworks:** Pandas,Matplotlib,Nodejs
- ◦ **Tools:** Excel,Power BI
- ◦ **Others:** Data Structures and Algorithms in Python,Cloud Computing,Machine Learning

PROJECTS

- **Project A: [Face Detection and count]** *Jan-2025*
  Tools and Technologies: [OpenCV,Matplotlib DNN,] [ ]
  ◦ Facial detection and counting was developed for detection and authentication purpose.

- **Project B: [Image Super Resolution]** *Nov-2024*
  Tools and Technologies: [Python,TensorFlow,OpenCV, NumPy,Matplotlib ESRGAN,CNN,Computer Vision] [ ]
  ◦ ESRGAN (Enhanced Super-Resolution Generative Adversarial Network) was developed for improving the resolution and quality of low-resolution images while preserving fine details.

- **Project c: [Weather Forecasting]** *Nov-2024*
  Tools and Technologies:[HTML,CSS,JavaScript] [ ]
  ◦ Weather forecasting web application was mainly introduced for predicting the atmospheric conditions.

INTERNSHIPS

- **YBI Foundation** *Aug2024*
  Python Programming Internship Online
  ◦ Working with libraries like NumPy, pandas, Flask.
  ◦ Implementing automation, data processing, or machine learning tasks.

- **Academor** *june 2024*
  Web Development Intern Online
  ◦ Developing web applications using HTML, CSS, JavaScript, and frameworks.
  ◦ Working with databases, APIs.

CERTIFICATIONS

- **Power BI - Skill Course** *Jan 2025*
- **Python Programming fron YBI Foundation** *Aug-2024*
- **Data Science and Machine Learning from YBI Foundation** *june-2024*
- **Web Development from Academor** *june-2024*

ADDITIONAL INFORMATION

1. **Languages Known:** Telugu,English,Tamil,Hindi

2. **Soft Skills:**

   - Time Management.
   - Effective Communication
   - Problem Solving
   - Team work
   - Leadership Skills

3. **Hobbies:**

   - Workshops
   - Hackathons
   - Programming
